

Business Partners Program

**Marshfield....
Official Host Of The July, 2009
9 Year Old
Cal Ripkin State Finals**

2009

February, 2009

From: Tom Gardner - VP Fundraising

To: All Our Potential Business Partners

Thanks to the hard work and contributions of parents, coaches, and our sponsors, we are able to maintain a very successful program.

It is obviously an ongoing challenge to stay current with coaching techniques, as well as facilities, and we would like to see Marshfield become a leader in these areas.

This is where the support of the business community is not only needed...it is a must for our success in developing our future...our kids !

We see the time coming when we will need new facilities, and we need to start now with planning and fundraising. Obviously, we also need to support current program financing demands as well.

Attached you will find a program designed to give you in the business community the opportunity to support Marshfield Youth Baseball, and give back to the community. We are providing levels of participation for you to consider, as well as Ala Carte Programs.

Whatever you can do will be appreciated. Recognizing the very difficult economy we are faced with, we have reduced the cost of elements in the hope of gaining more support.

Please know, this is our program for the year. We do not want to be visiting/bothering you for each events' support. We ask that you appreciate the fact that people have volunteered their time to speak with you, and we hope you can have a conversation that benefits both your business as well as Marshfield Youth Baseball. your business, as well as Marshfield Youth Baseball.

Any specific questions, please feel free to call me at **781-834-2861 or 781-504-1799.**

We are determined, with your financial assistance, to become the model for youth baseball.

It is my sincere hope that you will join us in making this a program we can all be proud of, and in so doing help develop the future of Marshfield...our kids !

Sincerely,

Tom Gardner

Our non-profit Tax ID is available upon request.
